HAVE A CANDLELIT DINNER

Romanticise your wedding by having a candlelit dinner. The candelabras set the tone and look especially good on round tables, whereas the candlesticks look great with long tables, particularly with greenery woven through them.

WOOD SLICES

KEEP IT SIMPLE WITH JARS AND BOTTLES

Jars and bottles are a great way to keep your table décor simple. They are particularly useful if you have chosen a sharing platter for your starter as you should keep your centerpieces to a minimum. The wood slices add a bit of height to your centerpiece, as well as creating the perfect 'middle' for your table. They are also great for lining the aisle - particularly if you are having bud flowers.

LED BOTTLES - £1.50 PER ITEM
BLUE BOTTLES - £1 PER ITEM
